Hey Nic,

Have y'all signed off on the cleanup of the fuel spill here? I believe DLA was saying they were going to dig up a few small areas within the creek but have heard now that they are not going to do that. They may have already ran that by you but we just wanted to check to make sure that you were aware of that and it was acceptable. Thanks

Hey Nic, Riki asked if we could get a copy of the cleanup directives you issued to Maytag and their cleanup contractor. Thanks
